Business Deportunities

Washington, D. C. Landowners
geting rich. Washington, the capital of the wealthiest nation in the
world, progresses in the same ratio
as the nation liself. This country
has just commenced to produce, and
the vast future that lies ahead
means a tremendous growth for the
nation's heart!

The acknowledged social centre of
the country, hundreds of wealthy
people flock here to enjoy there
advantages. The expanding needs
of the government alone insure a
steady increase in reac estate values,
independent of the fast-growing cities in
the United States.

While enormous fortunes have aiready accrued to holders of Washsigton real estate during the past
quarter-century, realty experts consider that the really great opportunities are still to come because
the city will gather momentum in
its growth each year, until the development of the entire country
reaches its zenith.

No safer investment can be found
than real estate located in the
"zone," or direct line of Washing
ton's greatest rowth. This is at
"Chevy Chase," the fashbonable Connecticut Avenue district, where
prices are rapidly advancing.

Over a million dollars worth of
this property has been recently sold
to investors who live its this vientity, and hence are in a position to
know the best realty values

For the first time in our nineteen
